

ATTENTION:

Robstown Utility Systems Customers

A "NOTICE" postcard regarding Energy Efficiency Improvements has been received by many of our customers.

The Robstown Utility Systems is **NOT** familiar with Green Medal Energy. Robstown Utility Systems is **NOT** participating in this program. We do **NOT** endorse this company.

NOTICE

Energy Efficiency Improvements
Will Be Conducted For Your Area

TO ALL RESIDENTS:

We will be conducting energy efficiency assessments and making efficiency improvements in your area. Incentives are paid to our company by your local electric delivery company to reduce Kw/Kwh (energy demand and consumption) within their electric delivery service area.

SERVICES OFFERED

- **No Cost Duct Sealing** (reduce air leakage in duct system to 90% efficient or greater)
- **No Cost Weatherization** (reduce air leakage within home by 10% or greater – door weatherstripping, door sweeps, seal attic access, etc.)
- **No Cost/Discounted Attic Insulation**
- **Initial Carbon Monoxide (CO) and Gas Leak Detection**

BENEFITS INCLUDE

- Lower energy usage
- Better indoor air quality and more comfort within household
- Longer life span of your HVAC equipment (air conditioning and heating system)
- Save money on electric/gas consumption cost
- Increase value of your household
- Reduce CO₂ (carbon dioxide)/carbon footprint on environment
